

# RESPONSIBLE TRAVEL: SLEDDING

Golden is your destination for big mountain snowmobiling. Three core alpine areas and over 240 km of groomed trails cater to all abilities and experiences.

## Responsible Recreation

- Ride on designated trails only - grab a [trail map](#) from one of the many downtown businesses!
- Keep right at all times. Trails have two-way traffic with limited visibility. Do not stop directly on the trail.
- Know the rules and regulations in the riding areas.
- Practice zero tolerance with respect to impaired riding.
- Always be able to stop your sled within a safe distance.
- Do not ride alone. Always let someone know your plan before you go out in the backcountry.
- Take an Avalanche Course! If you haven't already, sign up for an AST course to learn about safe travel in the backcountry. [www.avalanche.ca/training/courses](http://www.avalanche.ca/training/courses).
- Pack out what you pack in. Keep our trails clean.
- Respect wildlife and other outdoor enthusiasts!

## The Three T's

### Trip Planning

- Plan your travel route.
- Know the terrain and conditions.
- Check the weather.

### Training

Obtain the knowledge and skills you need before heading out in the backcountry. Take a [Survive Outside Program](#) by [Adventure Smart](#), and first aid training

### Pack the 10 Essentials

Flashlight, Fire making kit, Signaling device (i.e. whistle), Extra food and water, Extra clothing, Navigational device, Communication device, First aid kit, Pocket knife, Sun protection.

## Download the Golden App!

The app provides a new way to explore what our region has to offer. Access GPS trail maps for all nearby snowmobiling areas. These maps have GPS tracking and are continuously updated.
