Welcome to The Golf Course Trail System

Persons entering this area assume all responsibility for personal injury or damage to equipment resulting from the use of these trails or cabin.

These Trails are maintained by the Golden Nordic Ski Club which is dedicated to promote quality Nordic skiing for young and old.

The key to success has been a good working relationship with the Golden and District Golf and Country Club.

We have the privilege of being allowed winter use of the Golf Course and the responsibility of ensuring no damage is done to the course by our skiers. The golf club has been very cooperative with our group.

A pay phone is located at the Golf Club House. Happy Skiing!
